

THE DAY IS OVER and you ain't the same
 Yom Kippur rekindled your soul's bright flame.
 You stripped away any external force
 And re-connected with your source.

YOUR LIFE'S MISSION, you discovered
 Your full potential has been uncovered.
 Unleash your power and good spirit
 And reach all heights; you've got no limit.

YOU HAD BEEN WAITING for so long
 You gave it your all; you are so strong.
 So enjoy these break-fast treats
 And may you be blessed with a year as sweet!
